Terms and Conditions for Mobile Banking

Thank you for using the Fiserv Mobiliti Services ("Services") and any related Software ("Software") provided by United 1st Federal Credit Union ("Financial Institution") combined with your handheld's text messaging capabilities. By participating in the Services or using the Software, you are agreeing to the following terms and conditions, in addition to any terms and conditions that apply to the underlying electronic banking and billpay services of which the Services are a part. You may accept or reject the Terms and Conditions at any time. Standard messaging charges apply.

Read and accept the Terms and Conditions, then select Continue.

Terms and Conditions:

a. Program: Financial Institution offers their customers mobile access to their account information (e.g., for checking balances and last transactions) over the Short Message Service (SMS), as well as the option to set up alerts for their accounts (e.g., low balance alerts). Enrollment requires identification of the user's banking relationship with Financial Institution as well as providing a mobile phone number. The mobile phone number's verification is done by the user receiving an SMS message with a verification code which they will have to enter on the website. Additionally, customers may select the type of alerts and other preferences which will determine, together with their account data, the frequency of alerts delivered to the customer. This program will be ongoing. Standard messaging charges apply. Customers will be allowed to opt out of this program at any time.
